Letter No.AS-C.2550/27-28 dated 15th November 1929 from the Deputy Commissioner Kolar District to the Muzrai Commissioner in Mysore.

Subject:- Building of another Masjid at Masti.

Adverting to your letter No.1744/27-28 dated 17th/18th January 1929, I have the honor to state that I visited Masti on the 2nd July 1929 and that after considerable discussion and persuasion all the Mahomedan residents of the place except the Khaji and also t representatives of the Hindu residents agreed to the construction of the new Mosque subject to the condition that the Mosque would not be entitled to the stoppage of music etc., in the roads adjoining and in front of it (vide Mutchalika herewith sent). But the people raised an objection immediately thereafter and a petition was received by me the 1st August 1929 at Kolar in which the signatories, four in number apprehended difficulty in respect of processions if the Masjid came into existance. I may add that even on the 2nd July itself, the Khaji raised ~~xx~~ an objection. The Mutchalika given before me was not adhered to by all the parties, even till the 24th of June, when

the

the Sevan visited Masti. There was divided opinion even on date and, up to now, there has been no evidence of a reppro

In these circumstances, I do not see my way to recommend sanction [illegible] completion of the new Masjid. It may continue hitherto as a [illegible] house.
